For **players**, “suspended” requires you to (1) wear street clothes (i.e., do not wear your numbered team jersey), (2) attend the game as a spectator (i.e., not play), and (3) present this checklist to the referee for signature.

For **coaches, assistant coaches, or managers**, “suspended” means that the team loses the benefit of your services during the suspension period, including any active participation in (1) weekly practices, (2) pre-game warm-ups, or (3) pre-game, half-time, or post-game strategy/evaluation sessions. You may NOT sign game cards prior to games. You may not check your team in at tournaments. If you are a **parent**, you are permitted to observe your child in the role of a spectator. To avoid any mistaken observations, it is recommended that suspended players and coaches bring a chair and remain quietly seated at all times during games. **Suspensions may NOT be served in friendly games and scrimmages.**
